3.0. Planning Matters

- 3.1. BT have submitted a planning application for the erection of a 10M high steel radio pole with 300mm microwave dish antenna at The Windfarm, Bryn Dadllau. There were no objections, but it was felt that the request needed to be made that the redundant existing wooden pole and apparatus be removed. Clerk to write.
- 3.2. Issues with reference to the mobile caravan sited near the reservoir. Cllr Robin Lewis informed the meeting that the land where it is sited has now been sold. Local people have expressed concern over what might happen next, in view of previous problems in this area. Their concern needs to be registered, whilst they maintain a watching brief. Clerk to write and inform the Enforcement Officer of their concerns.

4.0. Powys County Council - Highway Maintenance Matters

- 4.1. An e-mail has been received from Brian Jones, The Birches, Penstrowed. He is complaining about damage that he says has been caused by the tractor/grass cutter. This is not the first complaint received concerning grass cutting (see minute 14.2. of 10th July meeting minutes). All were in agreement that Mr Jones's e-mail and a letter be sent to P.C.C. advising them to take more care in choosing the type of contractor and equipment for grass cutting. It requires the use of smaller, more appropriate equipment for the task in hand. It was also agreed to ask Adrian Jervis to meet up with Cllr Russell Williams to do a tour of the complaints. Clerk to write.

5.0. Correspondence

- 5.1. Cllr Philip Williams gave the reply to his letter (see minute 17.17 of the 10th July meeting minutes) to the Clerk to keep on file.

The meeting closed at 9:45pm.
